

# MMR Requirement Guidelines

*For internal and student use.*

---

- The MMR vaccination protects against measles, mumps, and rubella.
  - Once fulfilled, this requirement does not need to be repeated.
  - *Upload requirements documentation to ACEMAPP.*
- 

## **To fulfill this requirement, you must:**

1. Receive two doses of the MMR vaccine.  
**Note:** *Each vaccine must be received at least 28 days apart.*

OR

2. Show proof of immunity to measles, mumps, and rubella as demonstrated through a positive result of an immunoglobulin G (IgG) antibody titer draw FOR ALL THREE.

**Exemption:** *A student is exempt from this requirement if deemed allergic to the vaccination. Documentation of this allergy from a healthcare provider is required and may impact professional practice placements and necessitate additional precautions.*
