

## Student Badge Process Providence Newberg Medical Center (PNMC)

Nursing student and instructor ID badges for use during clinical rotations at Providence Newberg Medical Center (PNMC) can be obtained from and returned to **Miranda Durst, Clinical Nurse Educator**.

Badges will be provided only to students and instructors that have completed the clearance process through HR.

Instructors- please check out and pick up all badges for your cohort students.

Capstone/Senior Practicum students- you may pick up your own badge.

All badges should be picked up prior to the first day of clinical and returned on the last day of the rotation. If your clinical is after hours- please return to security - located near ED the lobby. Please notify me via email you have turned your badge in to security.

Contact Miranda Durst via email- [miranda.durst@providence.org](mailto:miranda.durst@providence.org) to arrange pick up or return of badge(s). Please reach out at least one week prior to start date to schedule a pickup appointment. Don't hesitate to reach out with any questions.

### Please have the following information available when picking up badges:

- School name
- School coordinator name, email, and phone number
- Student and Instructor name(s) and email for each badge issued
- Start date and end date of the clinical rotation

All students and instructors are asked to **park in the A parking lot (closest to the Ford dealership)** to ensure adequate parking for patients and visitors.

Thank you and welcome to Providence Newberg Medical Center!
