

# Varicella Requirement Guidelines

*For internal and student use.*

---

- The Varicella vaccination protects against chickenpox.
  - Once fulfilled, this requirement does not need to be repeated.
  - *Upload your requirements documentation to ACEMAPP.*
- 

## **To fulfill this requirement, you must:**

1. Receive two doses of the varicella vaccine.  
**Note:** *Each vaccine must be received at least 28 days apart.*

OR

2. Show proof of immunity via titer or valid history of disease

**Exemption:** *A student is exempt from this requirement if deemed allergic to the vaccination. Documentation of this allergy from a healthcare provider is required and may impact professional practice placements and necessitate additional precautions*
