

Cosign / Supervised Practice - Request Cosign of Flowsheet Documentation

Objective: Student or other clinician will be able to request a cosign of their flowsheet documentation from Flowsheets. The supervising caregiver will use the *Needs Cosign* report to cosign student documentation.

900.3050 Clinical Experience for Student Nurses, Allied Health Occupation Students and Paramedic or EMT Students guides the cosigning of student documentation. Refer to this link for more steps in this workflow.

[Supervised Practice - Workflow to Request and Cosign Documentation](https://cherwelltools.lhs.org/cherwelltools/display/16316)

(<https://cherwelltools.lhs.org/cherwelltools/display/16316>)

Before entering flowsheet documenting

1. Click the **Responsible** button on the *Flowsheet* toolbar
2. The *Responsible Users* window opens allowing the student to enter the name of their supervising caregiver in the **Users to cosign** field
3. Click **Accept**
 - Continue with flowsheet documentation

Forget to request co-sign before completing documentation?

4. Click and drag to highlight documentation
5. Right-click and select **Request Cosign**
