

Dear Future Nurses,

Welcome to Rochester General Hospital! We're so excited to have you with us and to be part of your journey as you take this next big step toward becoming a nurse. Let us introduce ourselves:

I'm **Bethany Hudnell, Nursing Program Manager**. I coordinate all clinical placements at RGH and will be your main point of contact throughout your time here. My goal is to make sure you feel supported, informed, and confident as you gain real-world experience in our hospital.

I'm **Betsy Stockmeister, Associate Chief Nursing Officer**. Nursing is my passion, and I love being part of RGH. Our team has been working hard to make sure your semester is full of meaningful learning, encouragement, and the kind of experiences that help shape strong, compassionate nurses.

Here's what you can expect:

- ✓ A **dedicated** post-conference space for you and your classmates
- ✓ **Supportive** teams and nurses who are excited to welcome you
- ✓ A student liaison (Bethany) who will be **available** to support your needs and help answer questions.

Whether you have a question, need support, or just want to share how things are going—we're here!

Many of you will also benefit from our **unique** and **innovative** programs including —Explore RN, Critical Care Fellowship RN, PCT (Per Diem) Nursing Student Float Pool, & Excel Nursing Student Summer Internship.

Scan the QR code below to connect about any of these opportunities!

This is such an exciting time in your life. You're bringing your learning to the bedside. You're stepping into a career of purpose, compassion, and impact. And you're doing it in a place that believes in your potential. We're here for your growth. We're here for your questions. We're here for the journey. And most of all—we're here for you. We can't wait to see what you'll do. Welcome to RGH!

Warmly,

Bethany Hudnell, BSN, RN-BC, SCRNP
